We, the Cardinal staff of 1948, dedicate our yearbook to Mr. John Margheim, our custodian. Our dedication goes to him to try to show him our appreciation of all that he has done for the students of H.H.S.

Our Alma Mater - as the name comes to our ears memories flash through our minds. Memories of those days in study hall..of the breathless hush during the last few minutes of that championship game in '46 at Salina.....of mistletoe at Christmas and bugs for Biology.....the prom....the fun we had on Sneak Day.....our last march across the stage on May 20, 1947.
